

From the Vice-President

I was unable to continue my article on the Edward Jones accounts identified as CH-1 and CH-2. So, I'm pushing the 'PAUSE' button on that article. I decided to share some photos of two of the activities at the church this fall. The first set of photos are of Larry and Mercy Vosseler's 50th Wedding Anniversary. Addy Hesse and I took the pictures. The second set is of the youth (and some kid-at-heart-adults) making their annual holiday apple pies. After helping peel apples, I took these photos of the rest of the group in action. I hope you enjoy them. Dottie Buss
